# The Essentials

## External

Each of our facade designs include varying material options to create an inviting entrance. We also carefully consider placement of windows allowing the flow of natural light throughout the home. Ample space is created by the arrangement of porches and openings to adjoining rooms, which helps to provide a warm, homely and secure feeling.

Colorbond steel sectional lift up door.

Monier roof tiles.

Feature entry door with clear glazing and side lights (where applicable).

Colorbond fascia and gutter.

## Kitchen

Getting the kitchen right is key to a successful home design. With crucial areas for preparation, storage and cooking carefully placed, our kitchens are both functional and attractive.

Island benches create consistent circulation opportunities in and around the space for multiple users working together or on separate dishes. Open plan living incorporates the kitchen to living zones ensuring connectivity for home owners.

Alder tapware.

Clark 1 1/4 bowl stainless steel sink.

Technika 900mm stainless steel canopy rangehood.

Technika 900mm stainless steel dual fuel cooker.

Living Room

Living rooms are just that – space for the household to come together and live well. And when it comes to living areas, it’s all about flexibility. We consider multiple living zones creating opportunities for multi-generational use to come together and relax. Generous open plan design provides home owners with the freedom to enjoy living spaces while staying connected to all parts of the home.

Dowell sliding aluminium key lock windows.

Clipsal Iconic double power points and light switches.

67mm x 18mm skirting & architraves.

Gainsborough door handle lever passage sets.

Bathroom

Essential spaces like bathrooms need easy access, comfort and room to move freely. Designed for function and relaxation, bathrooms give busy families a peaceful experience with little fuss.

See the full listing of standard inclusions on page 15.
